PLAN HIGHLIGHTS / SCHEDULE OF BENEFITS

Your Long Term Care (LTC) insurance plan is listed below.

Elimination Period: Your plan's Elimination Period of 90 consecutive days is the amount of time you must wait before benefits become payable. This time period must be satisfied only once during the life of your plan.

Newly Hired Employees – once eligible for the plan, you will have 30 days to sign up for Guarantee Issue coverage. Please check with your employer for your effective date.

All Active Employees & Newly Hired Employees – who enroll after the Guarantee Issue enrollment period or choose benefits over the Guarantee Issue limits will be required to complete a Long Term Care Insurance Application (evidence of insurability) in addition to the Benefit Election Form.

Medical Underwriting Effective Date – The effective date for those applicants passing medical underwriting between the 1st and 15th of the month is the first of the month following their date of approval. For those approved between the 16th and the end of the month, their effective date is the first of the second month following their date of approval.

Medical Underwriting means that you must answer all questions on a Long Term Care Insurance Application (evidence of insurability). In some cases, an interview may also be necessary.

Delayed Effective Date – If you are absent from work because you are injured, sick, temporarily laid off or on a leave of absence, your coverage will not begin on your otherwise expected effective date.
