LONG TERM CARE INSURANCE OUTLINE OF COVERAGE
FOR EMPLOYEES OF
STATE OF GEORGIA
(the Sponsoring Organization)

Group Master Policy/Certificate Form Number **513565**

THE SUMMARY OF BENEFITS IS NOT A MEDICARE SUPPLEMENT POLICY. If you are eligible for Medicare, review the Medicare Supplement Buyer's Guide available from UNUM. If you have a Medicare Supplement Policy or Major Medical Policy, this coverage may be more than you need. For information call the Bureau of Insurance at 1-800-300-5000.

Caution: If you must complete an Application for Long Term Care Insurance which includes evidence of insurability, the issuance of a long term care insurance certificate will be based on your response to the questions in your application. A copy of your Application for Long Term Care Insurance was retained by you when you applied. If your answers are incorrect or untrue, UNUM may have the right to deny benefits or rescind your coverage. The best time to clear up any questions is now, before a claim arises! If, for any reason, any of your answers are incorrect, contact UNUM at this address: UNUM Life Insurance Company of America, 2211 Congress Street, Portland, Maine 04122.

1. The Summary of Benefits is delivered in and is governed by the laws of the governing jurisdiction of **MAINE** and to the extent applicable by the Employee Retirement Income Security Act of 1974.

The Summary of Benefits is a part of the Select Group Insurance Trust situated in Maine. Banknorth, N.A. is the trustee.

2. **PURPOSE OF OUTLINE OF COVERAGE**

This outline of coverage provides a brief description of the important features of the plan. You should compare this outline of coverage to outlines of coverage for other plans available to you.

This is not an insurance contract, but only a summary of coverage. Only the Summary of Benefits contains governing contractual provisions. This means that the Summary of Benefits sets forth in detail the rights and obligations of both you and UNUM. Therefore, if you purchase this coverage, or any other coverage, it is important that you **READ YOUR CERTIFICATE CAREFULLY!**

3. **The Summary of Benefits is intended to be a qualified Long Term Care insurance contract under Section 7702B(b) of the Internal Revenue Code of 1986.**

4. TERMS UNDER WHICH THE GROUP COVERAGE THROUGH THE PLAN MAY BE CONTINUED IN FORCE OR DISCONTINUED

- **RENEWABILITY**

THE SUMMARY OF BENEFITS IS GUARANTEED RENEWABLE. This means you have the right, subject to the terms of the Summary of Benefits, to continue this coverage as long as you pay your premiums on time. UNUM cannot change any of the terms of the Summary of Benefits on its own except that, in the future, IT MAY INCREASE THE PREMIUM YOU PAY.

- **WHEN COVERAGE WILL END**

Your coverage will end on the earliest of these dates;

- the date the Summary of Benefits ends,
- the date you are no longer in an eligible class,
- the date your total benefit payments equal your Lifetime Maximum Amount,
- the end of the period for which premiums were last paid to UNUM for your coverage,
- the date you no longer are an active employee with the Sponsoring Organization, or
- the date you die.

- **PORTABLE COVERAGE**

If your group long term care coverage ends, for reasons other than your choice to have premium payments stopped for your coverage, you may elect portable coverage. This means that the same coverage you had under this plan can continue on a direct billed basis.

Election for portable coverage must be made within 31 days of the date the group coverage would otherwise end. Any premium that applies must be paid directly to UNUM by you for any portable coverage to be continued.

- **PREMIUM WAIVER**

When benefits become payable, there will be no more cost for your coverage as long as you continue to be eligible for a monthly benefit.

If your plan includes Professional Home Care Services (**Refer to the Schedule of Benefits to determine whether the Sponsoring Organization's plan provides this benefit**) and you do not receive these services for a period of 30 consecutive days, premium payments will again become due.

Premiums are not waived while you are receiving a payment for respite care.

- **RIGHT TO CHANGE PREMIUMS**

The rate will not increase because you grow older or because of your use of the benefits. However, the rate schedule may change in the future depending on the overall use of the benefits of all covered persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to UNUM's underwriting risk studies under this type of insurance.

5. TERMS UNDER WHICH THE CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED

- You have a 30-day right to examine the certificate. If, after examining the certificate, you are not satisfied for any reason, you may withdraw your enrollment in the plan by returning your certificate within 30 days of its delivery to you. The certificate, together with a written request for withdrawal must be sent to the Plan Administrator. Upon receipt, your insurance will be deemed void from its effective date and any premium contribution(s) paid will be returned.
- Premiums for additional, increased or terminated insurance may cause a pro-rata adjustment on the next premium due date.

6. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE

If you are eligible for Medicare, review the “Guide To Health Insurance for People With Medicare” available from UNUM. You may obtain a copy of the Guide by calling 1-800-227-4165. UNUM Life Insurance Company of America is not representing Medicare, the federal government or any state government.

7. LONG TERM CARE COVERAGE

Plans of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventative, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home.

This plan provides coverage in the form of a fixed dollar indemnity benefit if you become disabled. Coverage is subject to limitations, benefit maximums and elimination periods under the Summary of Benefits.

8. BENEFITS PROVIDED BY THE Summary of Benefits

REFER TO THE ATTACHED SCHEDULE OF BENEFITS FOR THE BENEFITS AVAILABLE UNDER THE SPONSORING ORGANIZATION’S PLAN.

You may be eligible for a Monthly Benefit after:

- you become disabled;
- you are receiving services in a Long Term Care Facility or Assisted Living Facility; or Professional Home Care Services if your plan includes a Professional Home Care Services Benefit; or Total Home Care if your plan includes a Total Home Care Benefit;
- you have satisfied your Elimination Period;
- a physician has certified that you are unable to perform (without Substantial Assistance from another individual)three or more ADLs for a period of at least 90 days, or that you require substantial supervision by another individual to protect you and others from threats to health or safety due to severe cognitive impairment. You will be required to submit a physician certification every 12 months.

The treatment and services you receive for your disability must be provided pursuant to a written plan of care developed by a licensed health care practitioner.

If you have an existing ADL loss or severe cognitive impairment on your effective date of coverage, that loss or impairment will be eligible for coverage only if you recover from that loss or impairment. We must receive acceptable proof of your ADL or cognitive recovery, such as a physician’s statement or an assessment.

Activities of Daily Living are BATHING, DRESSING, TOILETING, TRANSFERRING, CONTINENCE AND EATING.

Disability and Disabled mean you are unable to perform, without substantial assistance from another individual, at least three activities of daily living; or you require substantial supervision by another individual to protect you from threats to health and safety due to severe cognitive impairment.

Elimination Period is the number of consecutive days during which you must continue to be eligible for a Monthly Benefit before a benefit becomes payable.

Lifetime Maximum is the maximum that UNUM will pay you for all long term care benefits. You have your own Lifetime Maximum.

“Respite care” means formal care provided to you for a short period of time to allow your informal caregiver a break from his/her caregiving responsibilities.

If you are eligible for a home care monthly benefit but benefits have not yet become payable, payments will be made to you for each day you receive respite care for up to 15 days each calendar year. The amount of your payment will equal 1/30th of your home care monthly benefit for each day that you receive respite care.

“Severe cognitive impairment” means a severe deterioration or loss in intellectual capacity, as reliably measured by clinical evidence and standardized tests in:

- short or long term memory;
- orientation to people, places or time; and
- deductive or abstract reasoning.

Such deterioration or loss requires substantial supervision by another individual for the purpose of protecting you from harming yourself or others. The loss can result from a disability, Alzheimer’s disease, or similar forms of dementia.

Total Home Care Benefit: (Includes Professional Home Care)

We will pay you the Monthly Total Home Care Benefit Amount if you are Disabled and receiving care and you choose to receive care anywhere other than in a Long Term Care Facility or Assisted Living Facility.

This care can be provided at any type of facility, such as an Adult Day Care Facility or your home. Care can be provided to you by:

- a. a formal caregiver, such as a licensed Home Health Care Provider, a registered nurse, a licensed practical nurse, or
- b. an informal caregiver, such as a friend or relative.

Professional Home Care Services Benefit: We will pay you 1/30th of the Monthly Professional Home Care Services Benefit Amount for each day you receive Professional Home Care Services if:

- a. you are disabled; and
- b. you choose to receive care anywhere other than in a Long Term Care Facility, or Assisted Living Facility.

This care can be provided at any type of facility, such as an Adult Day Care Facility, or your home by/through a licensed Home Health Care Provider.

Return of Premium

If you die before benefits become payable under this plan, UNUM will make a payment to your estate when proof is received that you were under age 75 on the date of your death; premiums were paid until the date of your death; and you never received any long term care benefit payments from UNUM, including payments for Respite Care benefits. The amount of the payment to be paid to your estate will equal a percentage of the premium payments remitted to UNUM for your coverage up to the date of your death

OPTIONAL BENEFITS AVAILABLE

REFER TO THE SCHEDULE OF BENEFITS TO DETERMINE WHETHER ANY OPTIONAL BENEFITS ARE PROVIDED UNDER THE SPONSORING ORGANIZATION'S PLAN

Non Forfeiture Benefit (Paid-Up Benefit)

If the policy lapses due to nonpayment of premium after it has been in force for five years, you may be eligible for a Paid-up Benefit. This means your policy will continue in force with a reduced Monthly Benefit Amount and Lifetime Maximum Amount.

Inflation Protection Options:

Inflation Protection Provision - 5% Compound Inflation With No Cap

Your Monthly Benefit Amount will increase each year on January 1st by 5% of the Monthly Benefit in effect on that January 1st. Your remaining Lifetime Maximum Benefit Amount will also increase. Increases will be automatic and will occur regardless of your health and whether or not you are disabled. Your premium will not increase due to automatic increases in your Monthly Benefit Amount.

The benefit paid is subject to the Lifetime Maximum Benefit Amount. Benefits are not paid during the Elimination Period.

Refer to the graphic Comparison Chart of all types of Inflation, located in Section 10 of this Outline of Coverage

9. LIMITATIONS AND EXCLUSIONS

UNUM will not make long term care payments to you for:

- disabilities caused by war (whether declared or not) or any act of war,
- disabilities caused by attempted suicide (while sane or insane) or self-destruction,

- disabilities or confinements during which you are outside the United States, its territories or possessions for longer than 30 days,

Pre-existing Conditions Exclusion

If you do not have to complete an Application for Long Term Care Insurance, which includes evidence of insurability, a pre-existing conditions exclusion may apply to you.

UNUM will not make any payments to you for a disability that is caused by, contributed to by, or results from a pre-existing condition, and begins during the first six months after your coverage begins.

A pre-existing condition means any condition for which you received medical treatment, consultation, care or services including diagnostic measures, or had taken prescribed drugs or medicines in the six months right before your coverage began.

This pre-existing conditions exclusion will apply to all insurance that does not require evidence of insurability.

THIS PLAN MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM CARE NEEDS.

10. RELATIONSHIP OF COST OF CARE AND BENEFITS

Because the costs of long term care services will likely increase over time, you should consider whether and how the benefits of this plan may be adjusted.

- **COST**

The premium rate paid for your coverage over the duration of your initial coverage or for any increases is based on your insurance age.

- **ELECTION TO INCREASE COVERAGE**

You can apply at any time to increase coverage by filling out a new Benefit Election Form and an Application for Long Term Care Insurance.
